MEMORANDUM FOR: Distribution List

SUBJECT : EXRAND Consolidated R&amp;D Project List, FY 1971 and 1972

1. The subject report, classified SECRET, TKH and designated EXRAND-D-33/70, has been compiled as a reference work for the use of EXRAND to determine the degree to which EXRAND Objectives are being satisfied and to surface evidence of unwarranted duplication of effort. In addition it provides a basis for exchange of technical information, coordination of R&D planning activities, and effecting economies through joint procurement.

2. The information contained in this report does not represent official budgetary submissions and the listing of a project does not necessarily imply that its conception or funding has been approved. Many of these projects are in the program planning phase at the various facilities from which they have been submitted.

3. This list of strategic reconnaissance exploitation R&D projects, including brief descriptions, sources, and objectives, is available to appropriately cleared elements of the community for their information. Copies may be obtained through their respective EXRAND members.
